

Wednesday, April 26 , 2017- Crano Memorial Lecture

Kenneth S. Suslick, Marvin T. Schmidt Research Professor
School of Chemical Sciences, University of Illinois at Urbana-Champaign

Afternoon Lecture: The University of Akron
Mary Gladwin Hall, Room 111, 2:30 PM

Inside a Collapsing Bubble: Sonoluminescence and Sonochemistry

Evening Lecture: [Sheraton Suites Akron Cuyahoga Falls](#)

1989 Front St., Cuyahoga Falls

5:30 PM: Reception

6:30 PM: Dinner

7:30 PM: The John C. Crano Memorial Lecture

*The Optoelectronic Nose: An Adventure in
Molecular Recognition*

Dinner Reservations:

RSVP to Walter Salamant, w_salamant@yahoo.com
by noon on **Friday, April 21, 2017**.

The dinner is \$25 for professionals, \$10 for students.
The lecture is free and open to the public.

Bio: **Kenneth S. Suslick** is the *Marvin T. Schmidt* Research Professor of Chemistry at the University of Illinois at Urbana-Champaign. Professor Suslick received his B.S. from the California Institute of Technology in 1974 and his Ph.D. from Stanford University in 1978, and came to the University of Illinois immediately thereafter. He is the recipient of the Centenary Prize and the Sir George Stokes Medal of the RSC, the MRS Medal, the ACS Nobel Laureate Signature Award for Graduate Education, the ACS Senior Cope Scholar Award, a Guggenheim Fellowship, an NIH Research Career Development Award, a Sloan Foundation Research Fellowship, the Silver Medal of the Royal Society for Arts, Manufactures, and Commerce; he is a Fellow of the National Academy of Inventors, AAAS, ACS, RSC, MRS, APS, and the Acoust. Soc. Amer. He has published more than 360 papers, edited four books, and holds 42 patents and patent applications.
